Butchers Crossing John Williams

Butcher's Crossing is a western novel by John Williams, originally published in 1960. The story follows William Andrews, a young Harvard student who leaves his life behind to explore the American West. The book begins and ends in the fictional frontier town of Butcher's Crossing, Kansas, in the early 1870s, where Andrews joins a buffalo-hunting expedition.

Butcher's Crossing - Wikipedia

Penned in 1960, John Williams' BUTCHER'S CROSSING anticipates and in many ways eclipses Cormac McCarthy's western works because it not only nails the rapacious greed of the buffalo hunters it describes, it reaches for more abstract and troubling themes that go to the very essence of man and his place in the world.

Butcher's Crossing is the most flawed, the most peculiar, and the most exuberant of Williams' three mature novels (he disowned a first novel, which I have not read). Unlike the near-perfect tenors of the academic novel Stoner and Augustus, Butcher's Crossing sees some significant shifts in tone over the course of the book. All three novels are Bildungsromans, but here Williams also ...

John Williams: Butcher's Crossing - Waggish

John Williams is such a good writer. He has taken a subject I should have been revolted by and turned it into a book I would highly recommend. Butcher's Crossing is a small western town on the brink of great things in the mid 1800s. Will Andrews arrives there from his comfortable life in Boston looking for an adventure.
