A foray into the planing hull creeker world, the Phantom is a fast downriver boat that provides a dynamic all-around experience. It paddles with an aggressive freeride style, carrying speed out of rapids with more overall engagement with the river, and is equally capable on big water and tight creeks. Featuring an accentuated rocker, crisp rail profile, centralized volume placement, and an ...

Dagger, Phantom [Paddling Buyer's Guide]

With a phantom buyer the seller will actually create an imaginary person with good credit. They will create a fake contract that includes a higher price than what you have been offering. However since you are not allowed to actually see and read the competing offers you cannot really tell if the offer is legitimate.
