These industrial rated CAT 3306 Engines are built with brand new aftermarket and OEM ISO 9001 parts, to exact OEM tolerances and have less than a 1% parts failure rate. As a guide an extended long block is roughly 75% of a complete build out and is a perfect solution for a customer who has an existing 3306 but experienced some internal catastrophic failure. Most customers will merge the extended long block with still workable parts from their old engine.
