Isn T It Obvious Retailing And The Theory Of Constraints
Every manager that works on logistics and on Retail/Distribution can know TOC but the obvious, so obvious to implement, gets stuck in the traditional way of thinking. In this book Goldratt gives us not only the rational for the solution, the solution itself, but also the way to cover the change management part, which by the way is the most ...

Isn't it Obvious by Eliyahu M. Goldratt, Ilan Eshkoli, Joe ...
Since then, I have been working in retail in different position trying to apply the principles described in The Goal with some success. However, I always felt there was something missing in the 'mix'. And then I read this book and it was truly something 'Obvious'. If you have read The Goal, and you are in retail, this is a Must Buy.
