Astrology is a tool with many applications. And if the ultimate goal of human life is self-realization, as spiritual sages and masters suggest, understanding your birth chart is one of the most powerful tools we possess. The study of astrology is vast and seemingly endless; it requires patience, humility, and dedication.

Birth Charts for Beginners: Four Things You Need to Know ...

Jung rejected the concept of tabula rasa or the notion that the human mind is a blank slate at birth to be written on solely by experience. He believed that the human mind retains fundamental, unconscious, biological aspects of our ancestors. These "primordial images," as he initially dubbed them, serve as a basic foundation of how to be human.
