Rima Berns McGown, in interviews with over 80 Somali men, women, and children, found that Somali refugees in the West have had to renegotiate their understanding of themselves as Muslims in the highly secular, Judeo-Christian-based liberal democracies in which they newly reside, a process compounded by the harsh realities of refugee life. They must confront the challenges of practising Islam ...

Mecca continues to be important in Islam, with Muslims from all over the world directing themselves towards it in prayer (salaat) and going there on pilgrimage (hajj). Like members of ethnic diasporas, Muslims share certain beliefs and practices, and these are lived out in diverse national, social and cultural contexts.

These developments are neither absolute nor universal among diaspora Somalis, but they are clearly discernible, and they are profound. As diaspora Somalis establish themselves in the West, they identify themselves primarily as Muslims. Fading is the territorial...

### **Muslims in the Diaspora: The Somali Communities of London ...**

This article presents a critical overview of the evolution of the concept, and then goes on to hypothesize the long-term emergence of an Islamic diaspora in Europe, by analysing how Muslims today are reshaping their relations to time and space. The reappropriation of time is articulated on two distinct but complementary levels.
