Public Speaking Companion | Thinkwell
Good public speakers are in tune with their audience. Public speaking is more than standing in front of a group and talking; you also need to engage your audience. Acknowledge your audience as soon as you take the stage. This helps to make you seem more like a "real" person and keeps a conversational tone.

Tips to Improve Your Public Speaking Skills
Even if you don't need to make regular presentations in front of a group, there are plenty of situations where good public speaking skills can help you advance your career and create opportunities. For example, you might have to talk about your organization at a conference, make a speech after accepting an award, or teach a class to new recruits.

Better Public Speaking - Communication Skills From ...
The average person ranks the fear of public speaking (also known as glossophobia) higher than the fear of death. The truth is, this fear could be hurting your professional and personal life. You may have been there before. You feel nervous, your palms sweat, your stomach ties itself into knots. You don't want to do it.
