U-verse voice has more features, such as keeping a list of every call, display Caller ID on TV. There must be more. The second u-verse voice line is much less expensive. It does seem the first line should be that price & the second linehalf of that. att is probably trying to phase out POTS and move everyone to U-verse, as they did with DSL.

U-verse Voice vs Land Line | AT&T Community Forums

And since Uverse is not regulated, I can't see why the return call feature should be limited to the lata. These are just a couple of examples how I use the phone. It should be noted that Verizon Fios offers all of these features - in fact their speed calling has 100 numbers using the traditional *75 code that was assigned for Speed Dial 30.
