World Religions Western Traditions

The Western religions are the religions that originated within Western culture, which are thus historically, culturally, and theologically distinct from the Eastern religions. The term Abrahamic religions is often used instead of using the East and West terminology. Western culture itself was significantly influenced by the emergence of Christianity and its adoption as the state church of the Roman Empire in the late 4th century and the term "Christendom" largely indicates this ...

Western religions - Wikipedia

What are western traditions? That can be confusing as all five of the major world religions were founded in Asia. Plus Christianity is thriving in China, while Buddhism does well in North America. The lines are not clear cut but the editor went with the major spheres of influence. So the majority of this volume covers Judaism, Christianity and Islam. There are shorter chapters, one on Zoroastrianism and one on newer religions.
