### You Couldn't Ignore Me If You Tried on Apple Books

Reasons people may ignore you 1. You might be quiet or not know what to say. Here's the problem with being quiet: People usually don't understand that you're quiet because you're shy or don't know what to say (or because you're an overthinker, like me) Instead, they think that you're quiet because you don't want to talk to them.
